

serial\_port\_clear\_int

```
graph LR; A[serial_port_clear_int] --> B[clear_queue]; B --> C[pop];
```

A flowchart with three rectangular boxes arranged horizontally. The first box on the left is shaded gray and contains the text 'serial\_port\_clear\_int'. A blue arrow points from the right side of this box to the left side of the second box. The second box is white with a black border and contains the text 'clear\_queue'. Another blue arrow points from the right side of the second box to the left side of the third box. The third box is white with a black border and contains the text 'pop'.
