

send\_serial\_port\_msg

```
graph LR; A[send_serial_port_msg] --> B[get_serial_port_status]; B --> C[util_sys_inb];
```

A flowchart with three rectangular boxes arranged horizontally. The first box on the left is shaded gray and contains the text 'send\_serial\_port\_msg'. A blue arrow points from this box to the second box in the middle, which is white and contains 'get\_serial\_port\_status'. Another blue arrow points from the second box to the third box on the right, which is white and contains 'util\_sys\_inb'. All boxes have a thin black border.
