

timer_main_menu_handler

```
graph LR; A[timer_main_menu_handler] --> B[handle_update_int]; B --> C[rtc_get_time];
```

A flowchart illustrating a sequence of three functions. The first function, 'timer_main_menu_handler', is in a white box. A blue arrow points from it to the second function, 'handle_update_int', which is also in a white box. Another blue arrow points from the second function to the third function, 'rtc_get_time', which is in a gray box. The boxes are arranged horizontally from left to right.

handle_update_int

rtc_get_time
