

serial\_initial\_config

```
graph LR; A[serial_initial_config] --> B[new_queue]
```

A diagram showing a flow from a box labeled 'serial\_initial\_config' to a box labeled 'new\_queue'. The first box is white with a black border, and the second box is gray with a black border. A blue arrow points from the right side of the first box to the left side of the second box.

new\_queue
