

mosquitto_decibel_received

```
graph LR; A[mosquitto_decibel_received] --> B[serial_port_send_message]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is filled with a dark gray color and contains the text 'mosquitto_decibel_received'. The right box is white with a black border and contains the text 'serial_port_send_message'. A solid blue arrow points from the right side of the left box to the left side of the right box, indicating a directional flow or relationship between the two components.
